Fellowships 2021-22

The General Fellowship Programme
The Global Horizons Fellowship Programme

Located in the Botanic Garden in Uppsala, the Swedish Collegium for Advanced Study (SCAS) is a national institute for advanced study. The collections of Carolina Rediviva Library and other scientific facilities at Uppsala University are situated nearby.

For the academic year 2021-22 the Collegium offers residential fellowships for senior and early-career scholars from all countries. The fellowships afford scholars the opportunity to concentrate on their own research interests. Fellows are expected to be in residence and to participate in academic events beyond their own fields of specialization. The application may be for the entire academic year or alternatively for one academic semester.

The General Fellowship Programme
Candidates may come from any discipline within the humanities and social sciences.

The Global Horizons Fellowship Programme
This programme is open to scholars engaged in research in the field of global governance.

Candidates for both programmes should have a track record of significant and original research achievements, and be active at the international forefront of his/her research field.

The holder of a fellowship receives a monthly salary. Accommodation for Fellows who do not live in the Stockholm-Uppsala region is arranged by the Collegium and all Fellows have their own fully equipped office at the Collegium.

The application deadline is 1 July, 2020.
